

Entry 1:

Today at Hogwarts was as eventful as ever. Ron and Hermione and I snuck into the Forbidden Forest to investigate strange noises. Turns out it was just a couple of Thestrals. No big deal.

Entry 2:

Quidditch practice was intense. I caught the Snitch again, but Malfoy and the Slytherins are getting under my skin. Can't wait for the next match.

Entry 3:

Dobby showed up in the common room today. Turns out he's a free elf now. It's great, but he's a bit too enthusiastic about it.
